World Sepsis Day Infographics

Usage Rights

You may use the World Sepsis Day Infographics online and offline, on social media, on your website, as well as everywhere else on the internet. You may do so *without* referencing World Sepsis Day or the Global Sepsis Alliance, although we certainly appreciate a link to www.worldsepsisday.org.

You may also print the infographics (we recommend printing the PDF version) and use them offline, including, but not limited to, World Sepsis Day Events.

You may not edit the infographics or alter them in any way, including compressing them. You may not use the infographics to advertise specific products. You may not sell the infographics or use them for commercial purposes. You may not offer more than two infographics for download on your website – to ensure the newest version of the infographics are being used, please always point people to www.worldsepsisday.org/toolkits to download them. Thank you.
